EMOTIONAL PERFORMANCE FABRICS

BLISS is a new brand created by people who have been in the textile industry for a very long time. We have inherited the technical knowledge and resources of Citel – the outdoor performance fabrics manufacturer founded back in 1875 in Barcelona – and added a special sensitivity and aesthetic perspective. BLISS mission is to manufacture performance and decorative fabrics made by and for the senses.

Our team wanted to create a brand that not only demonstrated their technical know-how regarding 100% solution-dyed acrylic fabrics, but also expressed their philosophy of life. BLISS is built on passion, new ideas, effort and an ongoing desire for improvement.

**Creating is our favourite state of mind - our bliss -, and the desire to imagine, envision and manufacture fabrics that are truly special is our very reason for being.**

## ALBIS collection

The Albis fabric is the most suitable to make outdoor light curtains or sheers in open spaces, such as pergolas, bungalows, garden gazebos, or Balinese beds. It combines the highest technical features with the fineness, feel and quality of cotton.

Albis fabrics connect modern spaces with outdoor environments. It filters the light, and preserve an atmosphere of privacy, with discretion and elegance.

The Albis color range —white, stone, sand, smoke and linen— blends with nature, providing a warm and calm atmosphere.
