

# DOCRIL® GARDEN ASGARD COLLECTION

## CITEL

### ACRYLIC FABRIC

Docril® Garden is a premium fabric range for the manufacturing of high quality indoor and outdoor furniture. Due to the wide selection of colours and textures, this fabric collection meets the markets current aesthetic demands. Like The Docril® Collection, Docril® Garden is made and designed in Europe and it is 100% solution dyed acrylic meaning it is suitable for outdoor furniture, while preserving its excellent properties such as colour fastness, UV and weather resistant.
