BOCHINI®

WHERE INNOVATION MEETS ELEGANCE.

Bochini is the epitome of excellence in type 0 tensile structure fabric, meticulously crafted to elevate your outdoor spaces to new heights.

Ideal for lightweight tensioned structures, retractable roofing systems, marquees, and tents, Bochini offers unmatched versatility and performance. With an extensive palette of 11 captivating colors, including four inspired by Colorbond®, Bochini provides endless possibilities for adding flair to any project. Whether you're seeking vibrant hues or subtle tones, there's an option to suit every taste and style. Additionally, Bochini is also available in blackout in 3 colours, offering complete versatility in design and application.

UV STABILISED

Bochini fabrics are UV stabilised which prevents them from fading under intense UV rays. It also increases the textiles' longevity and ensures easy cleaning.

FIRE RETARDANT

Bochini has a fire rating of B1, the fabrics are designed for commercial environments and are tested to the relevant Australian standards. Test results available by request.

WATERPROOF

Bochini fabrics are coated with a waterproof finish.

FUNGICIDE TREATED & MILDEW RESISTANT

Bochini fabrics have been finished with a fungicide treatment that kills parasitic fungi or their spores. This treatment provides ease of maintenance by inhibiting mildew growth. It also improves the textiles' longevity and makes for easy cleaning.

FULL 10-YEAR UV WARRANTY

Bochini fabrics are supported with a 10-year warranty.

COLORBOND®

A selection of colours throughout the Bochini collection are inspired by COLORBOND®, matching any existing outdoor theme.

REACH COMPLIANT

Bochini is a REACH compliant - REACH regulations were created to improve the environment and protect human health. REACH addresses the risks associated with chemicals and promotes alternative methods for the hazard assessment of substances.

MELANOMA INSTITUTE AUSTRALIA
