# CLEARLY SUPERIOR

Glacier is a high-quality clear PVC manufactured using state-of-the-art technology and premium quality raw materials. The combination of an easy release finish with excellent lay-flat characteristics provides ease of fabrication. The clarity and UV stability will support years of service under the harsh Australian elements. Typical applications include café blinds, tent, marquee and marine windows.

## UV STABILISED

Glacier is UV stabilised which prevents degradation when exposed to intense UV rays. This increases the textiles' longevity and supports easy cleaning.

## EXCELLENT CLARITY

Glacier's crystal-clear finish offers exceptional optical clarity without compromising on performance.

## EASY RELEASE FINISH

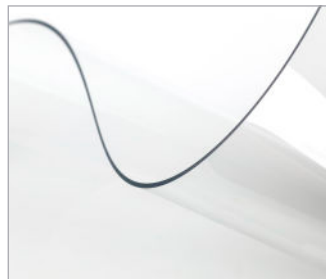

Glacier is manufactured with an easy release finish, providing ease of fabrication.

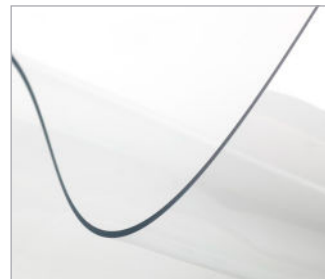

## MADE IN EUROPE

Glacier is a premium-quality PVC manufactured in Europe.
