EXTRUDED CLEAR PVC 2000-HOUR UV FORMULATION

CLEAR ENCLOSURES

SPRAY DODGERS

BOAT WINDOW PANELS

CRYSTAL CLEAR PROTECTION FOR EVERY JOURNEY

Whether you're fabricating a clear enclosure, require clear vision for a spray dodger, or clears for a runabout, Oceanview delivers where it matters most: clarity, performance, and longevity.

Oceanview is a high-performing clear marine PVC. When your marine project demands a clear view and the highest performance, choose Oceanview.

UV

UV PROTECTION – 2000 HOURS

With a 2000-hour UV formulation, Oceanview is built to endure. This added protection ensures the clear PVC maintains its clarity, flexibility and strength for longer, reducing yellowing and brittleness often found in lesser-quality clears. The result? A longer-lasting premium finish that continues to perform.

2 YEAR WARRANTY

2-YEAR UV WARRANTY

Supported by a 2-year warranty, Oceanview gives peace of mind to both fabricators and boat owners. With its premium quality, this is a clear PVC you can rely on to deliver clarity and durability, season after season.

EYE

EXCEPTIONAL CLARITY

When visibility is a priority, Oceanview shines. Its crystal-clear finish offers exceptional optical clarity, allowing for unobstructed views while protecting from wind, spray, and weather.

JP

MANUFACTURED IN JAPAN

Precision-engineered and manufactured in Japan, Oceanview offers consistent quality and craftsmanship. Every roll meets rigorous quality control standards, making it a trusted solution for professional marine trimmers who demand the best for their customers.

GEAR

EASY FABRICATION

Oceanview features excellent lay-flat characteristics, meaning it's easy to handle, cut, and weld—a major benefit during fabrication and installation. It ensures a sleek, smooth appearance on every project, whether you're working on tight curves or large spans.
